

## *Open Mic Poetry Night*

### **Voices for the Voiceless**

Assalamualaikum and Hello,

In these challenging and frustrating times, as we are trying to make sense of the horror that is unfolding every single minute accessible on the palm of our hands, some of us experience mental block, unable to even put in words what we feel or think.

Join Sr Ameera Aslam, an award-winning writer and poet, as she guides you through the importance of expressing yourself in poetry. You don't have to be an expert in writing.

Come as you are, immerse yourself in the beauty of words and how it can uplift one's spirit and fill your empty cups.

You can also partake in writing your own poetry and share your voice to the voiceless.
